2023

EXPERIENCE

Fountain Healthcare Limited Sept 2024 - Present
IT Officer (NYSC)

- Managed the company's software to streamline operations and reduce workload.
- Provided IT support to ensure a smooth and efficient digital experience for staff and enrollees.
- Onboarded over 30 hospital providers, trained them on software usage, and resolved technical issues to enhance service delivery.
- Coordinated and set up meetings, ensuring seamless execution and effective communication within the organization.

Karama Creative Sep 2023 - Apr 2024
Frontend Developer

- I took part in the development of a number of projects, one of which is the frontend of a payroll system for organizations to manage their employee and payments.
- Joined team meetings with clients to hear first hand from the customers what they are looking to achieve with their projects.
- I helped maintain some of the company's websites, making necessary updates when required.
